Inclus le CD Oxford DENOS

PRODUCT ASSETS

Retyping handwritten notes has become useless thanks to the new exclusive Oxford digital notepad. You can now manage your work directly from the Easybook M3 :

- Create mails, tasks, reminders, drawings, Word or Excel documents
- Save, file and retrieve automatically your notes on your PC.
- Digitize your handwriting notes as you like.

Digital Paper kit content :

- **3 notebooks, 3 formats for all usages :**
One A4+ Q5/5 notebook for office work, one A5+ L6 notebook easy to carry and one pocket size 85x150 notebook always by your side.
- **DENOS software CD-ROM**
To create your note database on the PC then synchronize, file and retrieve any note written on Easybook M³ notebooks.
